

# Mission Escape Teambuilding

**A unique opportunity for team building/corporate events**

## What is a room escape?

Room Escapes are group-work puzzle games in which a team must complete a series of challenges to escape a room. Once locked inside the room, your team must use their observation and problem solving skills to solve puzzles. Each puzzle solved opens a door. Each door puts you in a new situation where teamwork is the only way forward. Much more involved than the usual corporate event, Escape Rooms are an experience that will build your teamwork and leadership skills.

# FAQ

## How many people can play? ▲

50(27+23) \* is the maximum number we can accommodate in a session.

If you have more than this number you will need to book 2 sessions, eg 12:30 pm and 3 pm.

\*Our Pitt St venue can accommodate 27 players in one session and another 23 players will be allocated to George St venue. It takes 5~10 minutes walk between them.

## How long will it take? ▲

The whole experience takes between 1.5 and 2 hours. Pre-game briefing lasts for 15 minutes.

The game itself takes 60~100 minutes. There is another 10 minutes for post-game photography.

## What is the difference? ▲

Vampire Castle is a medium difficulty perfect for first timers. Dr. M is more challenging and requires more teamwork, a better fit for a larger group. The Lost Mine, The Last Order, Unstoppable, Trapped and The Sacrifice are our advanced rooms. Intruders is urban exploration-like experience. Intruders, The Lost Mine & The Sacrifice are not suitable for pregnant women and customers with reduced mobility; Trapped is not suitable for people with claustrophobia or serious heart condition.

## Do you have corporate package/discount? ▲

We now offer a new great teambuilding package:

15~20 ppl: 10% off; 21~27 ppl: 12% off; 28 ppl and more: 15% off

Final amount is based on the final participant number and how you split your team, as the price for each room is different.

E.g. You have 18 ppl and book for The Lost Mine, Dr.M and Vampire Castle, on a weekday, you can split them:

1. 9 in Dr.M (\$369) + 6 in The lost mine (\$294) + 3 in Vampire castle (\$117) = \$780 \* 90% = \$702

2. 9 in Dr.M (\$369) + 5 in The lost mine (\$260) + 4 in Vampire castle (\$144) = \$773 \* 90% = \$695.7

# Don't trust us! Trust our customers!

Here's what our customers are saying about us:

**"Great Teambuilding"**

I have done a lot of team building days over the years. Many of them do nothing to actually encourage team work.... It certainly brought our team closer together.

**"The team and I LOVED this mission!"**

I decided to take my newly formed team to Mission Sydney after hearing so many good reviews... I highly recommend this for families, groups of friends and team building. I want them to make a new one so we can try that!!!

**"The only disappointing thing was that it had to end!"**

Absolutely amazing experience and the staff was really nice. There was a lot of effort put into each room. Thank you for a unique experience. Definitely recommend it. Can't wait to try the next theme!

**"Perfect for team bonding!!!!"**

Awesome night out as a special team treat!...I'm pretty sure we were all re-living it in our dreams that night, I can certainly say I was! One of the best nights out, easy to book and easy to get to.
